

# Water Safety Signs

Safety signage is there to **inform** you, **warn** you or **instruct** you. You should look out for these signs when in or around water and follow the instruction or advice given – the signs are there to help keep you safe. Match the signs to the words below.

No Swimming  
Beware – deep water  
Mandatory action – lifejackets to be worn  
No diving  
No running  
Beware – thin ice
